## April 2015 President's Message

Hi Gang!

Well, Del Mar is just around the corner. Mike Newell is in charge of all the "will work" assignments. Mike is on vacation and will return April 7<sup>th</sup> if you need to get a hold of him. Club member Bill Stage, joined in 2004 and his lovely significant lady Bev are in town from La Plata, Missouri. They will be camping with us at Del Mar and working. They have brought their '39 Ford Coupe to show at Del Mar. Be sure and stop by the Gang area and say Hi!

For those of you that have not heard, STREAK 43 club t-shirt car is open to any 19?? to 1935 Club car. All you have to do is give a picture to Bill Hogue at the April club meeting to be considered. If Bill is not at the meeting I will collect them.

STREAK 42..... Larry and I will be bringing 2 cars to the April meeting so we can get your beautiful donated baskets and anything that the DJ can give away as a prize for his fun and games. If your basket is perishable just let Larry or me know the name of your basket that you are making (i.e.: Banana Split Basket) and the approximate value, and we will do the rest. All you have to do is bring it to the Big Tent on Friday so we can include it in the General Raffle.

If you did not know, last years Courtesy Chevrolet changed the way it is running its Parts Dept. They no longer have parts; they just have 6 guys sitting at computers ordering parts. They no longer have sample engines on engine stand to display. So after 20+ year of sponsorship at the Streak, they have stopped sponsoring. Now, it is with great pleasure that I share with you that Cottonwood Electric Golf Carts, Inc. has joined the Streak family. Mike Martinez from Cottonwood, along with a golf cart manufactures representative, will be at the Streak with some of their latest & greatest product. If everything goes as planned, the new golf cart that you, the gang, helped purchase for Navy Hospital will also be on display. (The first cart that the gang gave them is now 8 years old.) Please stop by and meet Mike and thank him for being a part of the Streak family.

Keep driving!

Madam Pres, *Denise*

Bobbie Atkinson sent around a sign up sheet for money donations or baked goods for the bake sale. Denise Hume announced that Ed Hanson, one of our Streak sponsors, has sold his business but the new owner promised to continue to support the Streak.

Denise also asked the members for monetary support for a 2nd cash grand raffle prize of \$500.00. This will be in lieu of the 50/50 raffle which we will not be having this year. The following members donated \$100 each:

FOR YOUTH DEVELOPMENT™  
FOR HEALTHY LIVING  
FOR SOCIAL RESPONSIBILITY

1/08/2015

On behalf of staff and program participants, YMCA Youth & Family Services (YFS) would like to extend a heartfelt *Thank You* to Street Masters for the donations received from the 2014 *Christmas Cruise for the Kids!* As always, this year's event was a huge success and was able to touch the hearts of over 400 children that are either being raised by a grandparent or other relative (Kinship Care) or are receiving counseling services through YFS. This year there was an excellent turn out for the event and there were over 400 toys donated to the YMCA and all of the toys were given to families in need. As toys were being distributed, many clients verbally expressed their gratitude and mentioned that they would not have been able to afford gifts for their children this holiday season without the generosity of Street Masters.

We also received over \$3,000 in donations from Street Masters and partner organizations! All of the funds donated will be used to support the YMCA KINSHIP Program and fill in gaps for needs that otherwise would not be met. Since we typically do not get many donations for teens, we used part of the funds to purchase Christmas gifts for teens and to sponsor a few families that had emergency needs.

This year, one of our most touching families, was that of a grandmother & grandfather that are raising their 12 grandchildren in a two bedroom apartment. Even though these grandparents struggle make ends meet for their grandchildren, they always see the positive in their situation and provide an abundance of love for their grandchildren. They are truly an inspiring Kinship family! They expressed their tremendous gratitude for the toy donations and because they live on a small fixed income, they would not have been able to provide a Christmas gift for all of their 12 grandchildren this year without the help of Street Masters. THANK YOU!

Street Masters has graciously supported the families of YMCA Youth & Family Services over the years with kindness and generosity. YMCA Youth & Family Services would like to thank Street Masters for all that they have done to support our families and we look forward to a continued partnership in serving the San Diego community.

Sincerely,

Danielle Zuniga

WARRIOR FOUNDATION  
FREEDOM STATION  
*Military Heroes in Transition*

February 12, 2015

OTHGSD  
P. O. Box 902  
Lemon Grove, CA 91945

Dear Sirs and Ladies:

The Warrior Foundation~Freedom Station and the KFMB 760 AM radio thank you for your donation of \$7,500.00 and for your continual support and dedication to our warriors. Warrior Foundation~Freedom Station is a not-for-profit 501 (c) (3) organization under the current IRS code and our Federal Tax ID number is 20-0067633. You have received no financial benefit or service from your gift.

WFFS is committed to caring for our critically injured warriors - from the moment they return from the battlefield to the time they transition back into the community as civilians, our foundation is here to support ill and injured service members on the road to recovery. While our warriors receive excellent medical care at military hospitals, the government simply cannot meet all of their needs. This is the gap that WFFS exists to fill. For the last decade we have played an effective role in both their physical and emotional recovery through our three main program areas: quality of life items, support services and transitional housing.

We are privileged every day to help change the lives of so many of our injured – whether it is a flight home, an ultra-light wheelchair or a place to call home. For these brave men and women, the war may be over but a new battle has begun – to heal from injuries, to adapt to new prosthetic arms and legs and to become a Mr. or Ms. There are also invisible wounds to overcome in the form of post-traumatic stress and traumatic brain injury. These warriors work hard to adjust to new financial circumstances and living conditions as they determine what their future will hold and one thing is certain – the team at WFFS has their six.

From our inception in 2004 and continuing through to this day, we are proud to be an ALL-volunteer organization. No one takes a salary so the maximum amount of dollars goes directly to our warriors. This fact alone reveals the character and compassion of a small army of people who are willing to work tirelessly every day for a cause that is greater than all of us. Your donation is what makes all of this work.

**Christmas Cruise for the Kids 2014**

Dear *Over the Hill Gang - San Diego*

The Street Masters Car Club would like to personally **Thank You** for your generous donations to the 29<sup>th</sup> Annual Christmas Cruise for the Kids Car Show and for your continued support. We had a very successful show this year and donations like yours are such a vital part of the success of our show and ultimately for the donation of toys for the kids at the YMCA Youth & Family Services!

Toys and monetary donations were collected from over 260 registered cars, many with literally a trunk-full of toys. We are happy to be part of the wonderful service that the YMCA provides in our community. Each year we hear how families are looking forward to the toy distribution and we also receive many thank you cards and letters. It warms our heart and hopefully yours too, to know that you were part of something so positive in the lives of these families.

Thank You again for your continued support of the Street Masters and the YMCA. We hope we can continue to count on your support with our future shows.

Best Regards,

*Street Masters*
