February 2012

## February 2012 President's Message

I would like to say Happy Valentine's Day to all of our female members and our male member's wives. If it wasn't for all of you ladies out there taking care of us, we probably wouldn't be here today so thanks! The Pepper Tree show in Vista was quite a show! It just seems to be getting bigger and bigger. If that show gets any bigger, I don't know where they are going to park all the cars. They had over 750 cars! My God, where did they park all of them? Really enjoyed the show and it's obvious by the many cars, other hot rodders enjoy the show as well.

What happened! We are already into February and time is flying. Midnight at the Oasis is coming fast so make sure you have your reservations. Most of the gang is staying at the Holiday Inn Express. It's a new hotel and clean. I will miss MATO and Bakersfield this year for the first time since 2000. I am bummed but there's always next year.

If you are going to Midnight at the Oasis in Yuma this year and would like to park with the Club. I will be collecting \$10 for your reserved parking. I will need your money by February's meeting. I will reserve parking at MATO together as a Club. Because I will not be attending Yuma this year, Dennis Griggs has volunteered to pick up the reserve parking placards along with your registration materials and he will place the stakes and placards in the show Friday morning. If you will be there Friday morning, he will need help since he has not reserve our Club parking before. Be sure to thank Dennis for volunteering.

NSRA 2012 Fellow Pages. . . I will be collecting member's information for the fellow pages again this year. If you'd like to be in the fellow pages this year. I need your NSRA number, your name, City and phone number. You have till February 20<sup>th</sup> to get your information to me. Remember, you have to be an NSRA member and you don't have to be in the Fellow Pages. It's all volunteer.

If you haven't seen it yet, the volunteer schedule for Del Mar scheduled for April is out. Please check it over and make sure the information is correct. Also if you are going to camp at Del Mar, make sure you contact Martin. Del Mar is the show to go to and what best way to get a free T shirt and a free entry when you volunteer to work.

Get everything ready because come March, we will get into what I call our car show marathon! A lot of things happening. Oh and I forgot about MOAB, Oh my God and the hits just keep on rolling!

*Ralph*

## **CALIFORNIANS BE VERY CAREFUL OUT THERE! THE LOS ANGELES TIMES HAS AN ARTICLE ON THE SUBJECT: "FLOORING IT ON CAR FINES"**

### **PASS IT ON TO YOUR FRIENDS AND ACQUAINTANCES!**

Subject: Important Notice: HUGE California Traffic Tickets Fines Effective

01/06/2012 Please be extremely careful in your driving and car registration & insurance matters. State of California is broke and they are trying hard to squeeze all of us hard to collect money. Effective immediately, if you do not stop at the red light, be ready to pay \$436 in fines or if you pass a school bus with Flashing red signals, you will be charged \$616. The state of California is going for blood, so be extra careful in driving, You cannot afford messing with them. I have been hearing that Highway Patrols are under pressure to issue a lot more tickets than last year with at least 30% increase in fines over 2009, so beware of radar guns, highway and traffic cameras installed everywhere and the tougher enforcement of parking rules.

Just for your info, the next time you park in the handicapped zone, even for a minute, you will be looking at almost \$1000 in parking tickets, so it'd better be worth it. California needs money, so pay close attention to the rules of the road!

*You can find more information on Woody's Website. They are really out to get us!!*
