## January 2012 President's Message

Welcome to 2012. First I'd like to say Happy New Year! Second, I want to thank our Board for the work they have done throughout the year. Remember, our Board is the silent group and they work in the background. I sit up there at the meetings and tell you all kinds of things and I get all the thanks but the Board is always constantly working such as Sharolyn is recording the minutes. Denise is making sure things are running in the background throughout the year. Susie is keeping the finances in order and filing our taxes and Mike Newell is constantly making things happen or researching. I want to thank Mike Newell for his service on the Board this last year. Without his expertise and resources, things would not have happened. I want to welcome back Bill Hogue as our 5<sup>th</sup> Board Member. His knowledge as a one of our Charter members is impeccable and we're happy to pick his brain about the Club once again. Thanks to JoJo being our Streak Chairperson and Dennis for taking on the new task of STREAK39. Also let's not forget all the committee members and other members who give hours after hours of their time to make this Club the very best it can be.

I've got to tell you that this has been one hell of a year for your Board member and the Club. We have gone through many obstacles and barricades. This year we achieved what we have been working for. Our non-profit status. This sets the stage on what we are all about and what we really have done throughout the years!

Our membership continues to grow. A lot of our old members have returned and quite a few new members have joined the Club. That's always a good sign that we as a Club are doing what we are suppose to be doing and people are taking notice.

STREAK39 camping is closing at the end of the year. And don't forget to get your Big Bear info in and Midnight at the Oasis hotel reservations at the Holiday Inn Express. They are all coming up.

Del Mar Thanksgiving was a big success. Again, our members have come through in a pinch and this is what our Club is all about. Another year will bring more shows, Club runs, tech nights and just plain fun.

Next year at this time will bring us our 40 Year Anniversary. HOW EXCITING. This is why I have Denise chairing an Anniversary Committee starting now. Believe me; it will take a year to decide on an anniversary design and jackets, shirt, sweatshirts, etc. So if you are interested in serving on this committee, let Denise know. This is your Club and your decisions. Don't let this opportunity go by.

Welcome to 2012 and I am very proud to be your President for the third year in a row. I will always continue to move this Club forward! And our membership is the Club.

*Ralph*

## From John O'Neill

In the newsletter Tony mentioned that he saw me taking pix at Prudhomme's Open House. Elsewhere in the newsletter, there is a discussion about Ray Lakes' dragster restoration work. It was one of the cars featured indoors at Prudhomme's and there are photos of it in my coverage of the event.

Another point of interest from that show is that an OTHG member, Pat Farris, saw the Deuce Coupe he used to drive to high school in the 60's. It's the full fendered three window also shown in my shots from the show. Pat told my brother Bob and I that he never thought he'd ever see that car again. Now he's trying to buy it back from the current owner. Just thought it was something you might like to talk about.

On the subject of my ongoing battle with Cancer, it's not going that well. None of the Chemo that I took from January through June worked. There are new tumors at the base of my spine for which I just started Radiation today. That in combination with the spots on my liver has been taking away a lot of my energy but I try to get out to events as much as I can. My brother Bob has been a big help picking me up in his '36 Chevy and taking me places. I'm planning on going to the Street Masters Show on Sunday, maybe I'll see you there.

Regards,  
John

## Medical Report

Ed had aortic valve replacement and repairing of a previous bypass surgery today. He has unfortunately been in the hospital since Friday, Dec. 23. It was a heck of a way to spend Christmas. The surgery went well according to his doctor. They say he will be in the hospital for about 6 days, so needless to say he won't be doing any New Year's partying. He is at Sharp Memorial Hospital in Kearney Mesa. See pictures below.

---

Member Jay Scarbrough had shoulder surgery Dec. 13<sup>th</sup> and is at home doing well. He's a little loopy from the drugs but then again he is always a little loopy anyway! Jay will be home for the next 12 weeks recovering.
