January, 2017 Interim-President's Message

If you were at last month's club meeting you probably left at least a little bit confused. The club held its annual election for officers and there was a surprise result in the election for the position of president of the board. Denise Hume won the election as a write in. Denise then declined the position. That is what caused confusion for many.

That was last month. Since then the board has met and we accepted Ms. Hume's decision to decline the position of president. Denise has put in many years as both vice-president and president and has more than earned the right to take a break. That does however leave the club with an opening for president of the board. For the interim, I, Steve Cushman, will fill in as president. We will be accepting nominations for president at the January club meeting. If we receive nominations we will vote at the next regularly scheduled club meeting in February. If there are no nominations at the January meeting the board will seek volunteers to form a nominating committee, the purpose of which will be to find someone willing and capable of becoming our president.

The board does not intend to get into a discussion within the club meeting about last month's election. The results are not going to change and we believe it's time to look forward. Your help and support in the process will be greatly appreciated.

We have a grand new year ahead of us so let's keep the shiny side up and the odometer clicking off those miles!

Thank you,

Steven A Cushman, CPA

Open letter to Over the Hill Gang, San Diego and fellow Board Members,
There was never any malice or intent on my part to divide or destroy the Club that I love so much. So, with much discussion with Larry and other Gang members and focusing on what is best for the OTHG I have decided to stay with my decision of not being your President for 2017. This decision was not taken lightly and I want to thank you for your support over the past 3 years. Larry and I plan on continuing our duties with STREAK 44 and hope to see you at the next Club meeting.

Hope you understand, love you,

Denise
