January 2015 President's Message *"HAPPY NEW YEAR"*

Hi Gang!

It's that time again....remember to pay your dues to Steve or Sharolyn!

I want to thank all of you for your emails, cards, flowers, phone calls, and prayers. It seems to be working! I have returned to my 3 times a week exercise class and look forward to seeing all of you at the January gang meeting. XOXO

I call this another Adventure with Denise and her car.....I was having trouble with my 350 when I would step on it. All she did was back fire and had no power. Talked to Guy & Curtis and they concluded that it had to be an electrical problem. So Guy said we should look inside my Mallory HEI distributor. Guy found a little brass piece sitting at the bottom. Not good! We found that the pins holding the springs to my weights were worn out. I needed a new distributor. Sounds easy enough, but they do not make my distributor any more and the ones they do make did not fit my car. The distributor cap where the 12V & tac wire plugged into would hit my fire wall and not allow it to advance. So...Guy & I decided that I would take all the new guts from the new distributor and rebuild my old distributor case. I allowed as I could do that and I did! When it was done Guy helped me put it back in...except it would not go all the way into the block. Guy tried everything but it could not go in. Finally he said that we should call Curtis. Curtis to the rescue! Upon arrival Curt parked his '56 Ford truck in my driveway at an angle. Curt took one look at the new rebuilt distributor and asked "who rebuilt this?" I very proudly told him "I did!" Curt said "rooky" You put the oil pump gear on up side down! ..."Dammm" I said! So I knocked the pin out, reversed the gear and she went in like butter! In the mean time my battery went dead and Curt's '56 Ford transmission spilled all over my driveway! One bag of Kitty litter later Curt and I were off to take him home so he could get his newer truck & trailer to haul the '56 home and I went to Home Depot to get a new Excide Battery. By 7:30 PM that night we were finally done having fun! Stay tuned to see what I do next month!! I am on a roll! Keep 'em running,

Keep driving,
Madam Pres., *Denise*
