

Cruise News

July 2016 President's Message

Hi Gang,

By the time you reading this, Guy & Esther and Larry & I will have left on our summer trip in our street rods. This year's adventure will have started on June 29 and will end about July 16.....if all goes well. We are heading to Klamath Falls, Oregon to celebrate Larry's Uncle Will's 90th Birthday on July 2nd. We will be staying through the 4th of July and then on to Roseburg, Oregon on July 5th. We will spend the next 5 days in Roseburg at their car show called "Graffiti Nights". There is no pre registration and every day they offer several different options/run that you can go on. You just have to show up and have fun!! I am sure Esther will write an article for the Cruise News when we return.

"FINAL HONOR," the Horse Drawn Funeral Carriage at Miramar National Cemetery, CEO, Suzanne Porter, had invited the Gang to visit on Mon. June 6. This is the day that the Gang donation was used to sponsor the Horse Drawn Funeral Carriage for the veterans being laid to rest. I want to thank Guy & Esther Allen, Everett Shackelton, Rich & Patricia Solomon, Chuck & Jenny Bush, Joe & Estelle Cellucci, Doug Clark & Francie Ringland, Mike & Bev Boehmke and me for attending. We were asked to be part of the funeral for gentlemen by the name of George. His wife was a very gracious lady and from what we were told he was a real character. He also loved cars and had a Jaguar. FINAL HONOR is still looking for Cooperate Sponsorship if you know of any.

I want to thank Bill Hogue for his leadership as Streak 43 Chairman this year and a special thanks to Patty for being Bill's assistant. The Streak Party was well attended and went on without a hitch! Jim Sheridan and his lovely wife catered the affair for us.

Get out and drive-em!!
Madam Pres., Denise

O. T. H. G. MEETING

Minutes for June 1, 2016

Called to order: 7:00 PM by Denise Hume, President

Adjourned: 8:00 PM

Guests/Visitors: Denise & Larry Humes' neighbor, Bob Kramer, owner of a beautiful 34 Plymouth. Kathleen from Atria Senior Living came to invite some members and cars to their July 4 resident's party. She thought the seniors would enjoy seeing the cars and talking to the owners. Lunch and music is included. 6 members raised their hands to attend.

Henry Martinez from the Green Knights Military Motorcycle Club came to invite members to come to their charity event October 1 for the Rady Children's Charity. All proceeds will go to support continued in home care for palliative and traumatic injured children. Bill Lewis passed around a donation jar for Ronald McDonald House donations. The Kiwanis Club he is a member of is having a charity event on July 23. George from the Monday Night Car Club presented the club with a beautiful club participation trophy.

Minutes: The reading of last months minutes waived, approved as is, **M/S/P.**

Treasurer's Report: Treasurer, Sue Chambers read the treasurer's report.

M/S/P Treasurers report approved by the members in attendance.

New Members: Welcome back Dennis and Glenda Griggs. They reinstated their membership tonight. So glad to see them back.

Correspondence/Car Club Council: Received a Thank you letter and card from Final Honor. They are so grateful for our donation of \$1,000.00 and wanted us to know that our donation was going to cover all the funerals on Monday, June 6. They invited us up that day hoping to meet some of the members and thank them personally for our support and generous donations.

Jim Payne reviewed with the members the coming car events.

Streak Report: Bill Hogue stated that he only got positive feedback from the Streak participates. Raffle raised \$22,315.00, it seems the rain only increased the sales. Does anyone know the person who won the Gas Pump??? He didn't get all of his parts. Contact Bill if you have any information,

Streak after party will be June 12 at the winery in Julian. Group is leaving Vine Street in Lakeside at 9:00 sharp.

Medical Report: Drew Mraz had foot surgery and is doing fine. Bob Chambers is now a member of the stint club, he is doing great. Sally Bartz was in the hospital last week because of bleeding and a low blood count. She is doing well now. Sadly Jimmy Steiger had to put Bonnie into a care facility recently. Many of you remember Andy Gamboa, Vince told us that he has cancer. Please keep everyone in you thoughts and prayers.

New/Old Business: A member suggested the club should form a Goodguys event committee and that the committee should be overseen by the board.

M/S/P A motion was made, after a discussion it was voted to keep the event as it currently is managed with no changes.

Club Store: Back in stock is the License Plates. Store is in the process of restocking. FYI the store will be closed for the July meeting. The Hume's will be out of town on vacation.

Club Putt/Tech Night: Joe Pifer announced that a Tech day with 3 or 4 businesses is in the works for a tentative date of Saturday, Sept 9.

Still working on the Club Putt, thinking of Temecula or Corona.

Runs/Reviews:

Cars & Parts: Were announced.

Respectfully submitted,

Sharolyn Kerns, Secretary

SUGGESTIONS FOR A CLUB PUTT

From time to time I have club members approach me with a suggestion for a club putt or tech night. As I have mentioned at club meetings ANYONE can put on a Putt. Here are some simple suggestions for a PUTT.

1. Find a place that you think the club might like to go.
2. Present your idea to the club to establish interest and a date.
3. Check and make sure the place has plenty of parking for 50 or more cars.
4. Find a place that will be able to feed 50 to 70 people.
5. Pre-run the route at least once making sure there are places to stop for a "pit-stop" along the route.
6. Make a route sheet with (L) & (R) turns and a map if possible.
7. Establish a time and place to start and enjoy the run.

Good luck!! Joe p

STREAK 43 PARTY SATURDAY JUNE 12, 2016

The Gang gathered at Vine St & Hwy 67. The temp was a cool 68 degrees and everyone was out on Vine Street using up words and enjoying each others company. Bill H., Dave and Ronnie Adair and Vince Y. had left earlier and were at Menghini Winery setting up tents and tables. We held a short drivers meeting, discussed stopping at Dudley's for a pit stop and left for Julian promptly at 9:00 am. Thirty eight club cars, 3 non club cars and 3 door slammers headed up the mountain for the 38 miles to the Winery. When we arrived at the Winery it was 75 degrees and Jim Sheridan had set up his BBQ wagon which was sending the smell of BBQ all over the woods. STREAK Chairman Bill Hogue called the meeting to order and thanked all those present for their help on STREAK 43. Bill presented two special awards, one to Everett Shackelton for being the "Go To Guy" for all things STREAK and to Larry Hume for making the STREAK trophies and being the "supper shopper" and Raffle Chairman for the past 5 years. Each received a gift card. After the meeting we had a delicious meal, visited some more and around 1:30 pm the party started to break-up and we all headed home. Special thanks to Jim for driving back to Julian from Prescott just to prepare our meal. Joe p

AUTO TECH PROGRAM CHARGES UP AT CUYAMACA COLLEGE

BY CHRISTINE HUARD

EL CAJON

The automotive technology program at Cuyamaca College is offering more hands-on training for working mechanics who want to stay on top of electric vehicle and hybrid technology.

Two U.S. car manufacturers have training partnerships with the college that provide classroom instruction and paid job experience with local

dealerships. In addition to industry certifications, Ford ASSET (Automotive Student Service Educational Training) and GM ASEP (Automotive Service Education Program) graduates also receive an associate degree that is transferable to the California State University system.

The number of electric vehicles, or EVs, and hybrid cars on the road in the county is expected to grow from more than 20,000 to

80,000 over the next four years, according to San Diego Gas & Electric. With the growing popularity of more environmentally friendly vehicles, Cuyamaca has enhanced its auto tech program.

The college has an introductory class to hybrid, electric and alternative fuel vehicles that meets on Saturdays, and more EVs and hybrid cars have been added to the fleet of vehicles students use for on-campus learning. Program director

Chris Branton said a certificate program specific to the specialized technology is in the works.

The college was recently recognized by SDG&E's "Power Your Drive" program, which seeks to make San Diego the nation's "EV and clean-energy capital", according to the utility, as a leader in helping to expand EV ownership in the region.

Program coordinator Brad McCombs said that push is why EV and hybrid training have become part

of the auto tech program curriculum sponsored by Ford and GM. He said the comprehensive auto tech program is providing those in the field with necessary training.

"Students in our factory training programs apply electronic technology through their training and there are specific classes and web-based training required," he said.
