July's President's Message

If you're reading this message, I am in New Jersey. Anxious to get on the road and enjoy the countryside, I am amazed when people say they want to go to Europe and have never seen the United States. There is so much to see beyond California and Arizona. If you're not aware, I left June 27th for my son's wedding in NJ and will be there for a month living in my motorhome in my brother in law's driveway. I will have access to my email so I will keep up the emails coming to our members.

Well all I can say is summer is here and I would venture to guess there is some type of show, cruise or otherwise just about every day of the week besides Monday. So get out there and enjoy what life has to offer you. I just loved the Lemon Sisters book Sue Chambers had made. If you'd like to purchase or see one, contact Sue Chambers.

This is my last year as your STREAK Chairman; it is time for someone else to step up to the plate. When I come back, we will be looking for your new STREAK Chairman. If you're interested or know someone who is. Have them come talk to me when I get back. It's not as hard as you think. I feel it's time for me to step down as Chairman because it is not fair to the Club for me to be your President and Chairman. It's not a good balance so I am stepping down.

They tell me that our new member Dick Earner is going under the knife again the second time for his back in the last 3 weeks and will be in the hospital for quite some time. He will be in our hearts and prayers. If anybody can email me from time to time on his status, I will broadcast it to our members via email. The Gear Vendors Tech Nite opened my eyes how they make their product and how well it is made. Every part is made in house. I was totally blown away on their manufacturing process. Gear Vendors fed us for free and had plenty of help to give us a tour. There were approximately 20 members from the Club in attendance. They took us in groups of five and showed us every process that their product goes through. The Tech Nite was well worth the trip. I really would like to thank Joe Pifer for setting this up for us. Don't worry, if you've missed this and wanted to go. We will have many more to come in the future.

Well I will close for now and see you all when I get back. Hopefully I will be back in time for the August meeting. I've always said enjoy life and don't worry about the small stuff. I am so sorry to hear about Bonnie Steiger and hope she gets well. Oh and before I forget, our OTHGSD Halloween Party is scheduled for October 30 at the San Diego Police Range so mark your calendars!!

O.T. H. G. MEETING

Minutes for June 2, 2010

Called to order: 6:55 PM by Ralph Garcia, President

Adjourned: 8:00 PM

Guests/Visitors: Laura, the rep from Hagerty Ins., came and gave a presentation on her company. Gave us some insight on how they insure collector vehicles, what restrictions they have and how to contact her. Welcome two guest and possibly future members, Doug Benson proud owner of a 37 Ford and Mildred Rios and friend Andre Zatarian. Mildred owns a 48 Chevy Pick Up and Andre has a 54 Ford.

Minutes: The reading of last months minutes waived, approved as is, M/S/P.

Treasurer's Report: Treasurer, Sue Chambers read the treasurer's report.

New Members: Welcome new members Mike Glick and Cindy Greene. This was their 3rd meeting and they are official. They own a 1928 Dodge Coupe and live in Chula Vista.

Correspondence/Car Club Council: Joe Pifer reminded everyone that this Friday was OTHG night in Escondido. The latest on 2010 Smog laws is ALL light diesel trucks with even number license plates will have to be smogged. Road side testing results shows that 40% are failing.

Streak Report: Saturday, 6/12, at noon the after Streak party will be at Jay and Linda Scarbrough's home in Lakeside. It is a Potluck affair and BYOB and everyone is invited.

Medical Report: Frank Raymond has had a few set backs, please keep him in your thoughts and prayers and if you have a minute give him a call. Dick Earner had back surgery and has been in the hospital for about 2 weeks. It is unknown how long he will be there. A card will go out to him from OTHG.

Old Business: Martin Hibsich opened up discussion on Goodguys proposals concerning OTHG hosting a 2nd car show for them in 2011 in Del Mar. Goodguys is considering the Thanksgiving weekend, possibly a 2 or 3 day show, outdoor and/or indoor. Martin said the response to his email concerning this was very mixed. Martin asked the club to show by raised hands how many would be interested in hosting the show. Only 24 hands were raised.

New Business: Update on our corporate status: Our Federal tax exemption will not be a C3 but a C7. Attorney also said we need a "Conflict of Interest Policy" in our Bylaws. Ralph read to the members what the attorney had outlined and recommended.

M/S/P Add Conflict of Interest Policy to our Bylaws.

Maury Lowe went over a list of items needed by the Valhalla High School auto shop. They are building a Model T and are in need of some donated items. Ralph will email everyone a list of what is needed.

Club Store: No new stuff. Streak 37 T shirts on sale and Ed & Jan have extra "goodie bags" for \$6.00 each. Heads up, there will be NO club store at the meeting in July.

Club Putt/Tech Night: 6/10/10 Gear Vendors, Pizza and refreshments to be served. July to be announced, working on an event at Bengals.
8/12/10 Roger Daniels Alignment shop. 30 members max.

Denise Hume & Esther Allen Out of Town

With the two world's greatest winners out of town it left it open for the rest of us to maybe win something.

At Fred's cruise night Sue Shackelton won 8 times for a profit of \$24.00. Linda Scarbrough won \$32.00 but then lost \$2.00 for cussing.

At the King Pins Breakfast. Tony Bartz won \$34.00. He also tied for 3rd place with his Chevy at the 1st Assembly of God Church July 4th.

Hello Gang! Ed and I have been on the road for about 4 weeks now (as I write this) and are having a super time! We went to the Indianapolis Good Guys show at O'Reilly Raceway Park a couple of weeks ago. Although we saw a registration well into the 2000's, participation and attendance were pretty low because it rained a lot all weekend. Despite the weather, Bruce and Debra McDowell managed to get a few runs down the drag strip and did great qualifying in their division until their dragster broke and they decided not to try to fix it. It was fun being able to support them so far away from home. The Good Guys Rhinebeck, NY show started today (June 25th) and it's at the Dutchess County Fairgrounds - a small, but beautiful venue in a gorgeous area along the east side of the Hudson River. They are expecting around 1500 participants, and the quality and variety of cars is great. Of course, throughout our travels and in between these shows we've been doing Eddie things - small local racetracks, Indy and Speedway museums, and even happened upon a hotrod show on the Jersey Shore. JoJo things have included tours of a Vanderbilt mansion and the Culinary Institute of America. We've got a lot of miles to go - it would have been fun to have the '37 with us - but most of the roads and drivers are pretty crazy around these parts and the car would have probably been destroyed by now. Hope everyone is doing well! We look forward to seeing y'all in August! ----- Joanne

A best wishes and prayers go out to Jim & Bonnie Steiger. We hope and pray for the speedy recovery of Bonnie. And to Mike Burnett, we are so glad your recovery is coming right along. All of you take care and remember you are in all our prayers and best wishes.
