## June President's Message

Well, officially our 66 day car show marathon is over and our 100 MPH direction has come to a crawl. Ever though there are plenty of other shows, the most important ones are over till next year. STREAK40 was an instant success and I want to thank all of our volunteers who worked the STREAK. Without you, we could not have pulled off another great STREAK. I especially want to thank our Chairperson, Dennis Griggs. He has done a wonderful job of pulling us all together.

We will have many openings for STREAK 41 and it is important we fill these positions quickly. We are looking for members to take registration/camping, raffle prizes and food plus we need a Chairman. Do you know anybody who would like to take over one of these duties?

I always get questions on my construction to my house. The 3<sup>rd</sup> bedroom and master bathroom additions have taken shape and looks like rooms now. They are currently installing plumbing and electric. Things are in disarray in the house and it looks like Denise and I will be living in our motorhome once the construction breaks into the house. We will be literally be living in construction for the next year!

Our Club has endured many obstacles throughout the years since I have been your President and we have come a long way to become one of if not the best Club around. Our Club has made it 40 years and we have organized the best car show most of our hot rodders have ever seen. Other shows have copied what we do and many other rodders want to join our Club. Although we have a tremendous membership, only a very small percentage account for 90% of the work. Please don't misunderstand me, we have many of you who offer a couple hours of your time and without you the show would not go on.

At this meeting, you will have an opportunity to make a difference when each of you vote whether to change the year to 1966 or not. All I ask is that you vote how you want to vote and not follow other members. This is your Club and I ask that you vote from your heart. I have always said the members make the Club not the cars. I don't know about you but I joined this Club because of the members not the cars. So please make sure that you vote what you feel is best not what is best for your friend.

Well it's time to go. Please all of you take care and please, please DRIVE SAFE!

I will see you at the meeting.  
God Bless America!

*Ralph Garcia, President*

**Open Letter to the members of the OTHG**

From the first moment we join the Gang 20 years ago this year, you have treated us like family. Susan and I have enjoyed our time with the Gang and over the years made a lot of friends. Some of our friends from years ago have passed on and Susan & I will never forget them. To all new Gang members who have joined within the past few years; you have joined a club that has a long history of keeping hot rodding alive and well here in San Diego and across the country with affiliate clubs. What isn't known about the people that you have affiliated yourself with; they are the kindest, friendly and most dedicated people to keeping Hot Rodding alive and raising money for local charities in San Diego County.

To the Gang members that have known us over the years; we will never forget you and consider you all friends. We were shooting for 25 year mark but fella little short. We may not be current members of the OTHG; but we will always consider ourselves as Over the Hill Gang members just not current and will speak of the OTHG as one of the best if not the best car club in San Diego.

With our best & loving regards  
Eddie & Susan Head

## Some Big Thank You's

I want to thank the Club for the Art Work they presented me at Streak 40. As many of you know, I am not very often at a loss for words, but I was! Thanks again, and thanks to Frank Corio.

*Mike Newell*

We would like to Thank Everyone for all the cards, flowers and well wishes during our hospital stays and surgery. When we needed help and asked for it everyone came out of the woodwork to help and we were totally overwhelmed with the response. Thanks for the calls and running us to and from work and to the doctor appointments, the food and goodies. A mere Thank You doesn't seem enough as when you are in need, you really find out who your friends are. We couldn't thank you enough whether we used your kind offers or not. We are both on the recovery.

Thanks again,

*Jay and Linda Scarbrough*

Outstanding meet. Please let your committee know. All your hard work showed. We had a good time. Coming back next year for sure. Thank You, The King Pins
