June Presidents Message

Well, officially our 66 day car show marathon is over and our 100 MPH direction has come to a crawl. Ever though there are plenty of other shows, the most important ones are over till next year. STREAK38 was an instant success. (See STREAK Message). I want to thank all of our volunteers who worked the STREAK. Without you, we could not have pulled off another great STREAK. I especially want to thank our Chairperson, JoJo Witek. She has done a wonderful job of pulling us all together.

It's time to get back to our Club Putt's, Runs and Tech Nites. Joe P has put together a Club Putt for June 2nd (Thursday). Yes, that's a Thursday so let's all meet, have a good time and enjoy lunch. Joe P will talk about it at the meeting so be sure and take good notes. Look for more Putts and Tech Nites to follow in the upcoming months.

The last month of May proved to be a great month for the Club. Many of us won awards at shows. Our tax status has finally been approved. We all came back safe from shows. The STREAK was a success and broke all kinds of records. We had a few surgeries throughout the month which turned out well. So we need to count our blessings. Because as you well know, the Midwest has been hit with some of the worst flooding and tornados the world has ever seen. So when you have a few moments, take the time to say a prayer and donate a few dollars to those in need in the disaster areas. Also let's not forget our servicemen and women who are out there keeping us free from terrorism.

We will be looking into developing some automotive programs in the near future. So if you have some ideas, please give me an email or a call. We need to be moving towards educating our youth or anyone else interested in hot rodding. Not just giving money away. We have a lot of talent here in this Club so don't be surprised if I approach and ask you to talk to our youth about your talent and your car.

Over the Hill Gang Phoenix attended the STREAK and I have to tell you they enjoyed it very much. They wanted me to express their thanks for all that you do and they said this is truly one of the best shows they have ever attended. They liked our hotel and the price. They enjoyed the food. If you didn't see them, most of them were off the grass across the street with their beach chairs in the sand enjoying the show. If you ever happen to attend Goodguys Show in Scottsdale in November, they host a free lunch for you. I attend their lunch every year I have gone and they have taken good care of the few of our members that have attended including our wives.

I would like to tell you all this has been one hell of a ride for me as your President so far. We have some of the best hot rodders around in this Club. Sure, we have had our problems, bitches and gripes but I still have people that tell me they want to join our Club.

Take care and be safe! God Bless America!

Ralph

STREAK 38 – A COLOSSAL SUCCESS!!!

Words truly cannot express my gratitude to EVERY Streak Committee member, club volunteer, donor, sponsor, and participant of Streak 38. From a no-food-left pot luck Thursday night, to a rainbow stick-glowing Friday night at the bonfire...to our record weekend attendance serving more lunches than ever and a rocking Saturday night dance under the tent ... to a much appreciated (from utter exhaustion) Sunday a.m. Mother's Day breakfast... we accomplished all of our event goals and more!

The raffle went so amazingly well that we have already donated \$6000.00 to Freedom Station and \$2500.00 to San Diego Adaptive Sports Foundation (SDASF). How great is that? The TV and Ipad were the most coveted Grand Raffle Prizes. And I must thank all who made and contributed baskets! The raffle would NOT be the same without these very special gifts!

I've tried to personally thank everyone in the club who gave their time to the Streak. If I missed anyone, I apologize because everyone should be recognized! Over 90 Club members (plus some of their families!) had a role in making Streak 38 the success it was! There was one couple who helped and weren't even official club members yet - Dennis and Glenda Griggs! Thanks so much to them and welcome to the Gang! My sincerest appreciation goes to Mike Newell for his huge involvement in obtaining Streak Sponsors which gave us the ability to make such generous donations to our charities. He was also Super Raffle Man and helped coordinate the run to Navy Hospital to pick up the Warriors. His dedication and determination to help the Wounded Warriors is admirable and inspiring! Freedom Station is such a wonderful place for our heroes and they need our Club's help in completing some of the cottages. Contact Mike or me if you are interested in lending a hand. And get in touch with Suzie Chambers if you would like to get involved with those wonderful athletes at SDASF.

All are invited to attend the After Streak Party on Saturday, June 25, 2011 at high NOON at Jay and Linda Scarbrough's house. Bring a side dish or dessert. We will hold a secret ballot vote to select a club member's **1939** rod for next year's Streak t-shirts. If you haven't given me your car photo yet for consideration, please do so right away!

It was a great experience being the Chairperson for Streak 38. Unfortunately, due to personal commitments, I won't be able to Chair again next year. Therefore, someone else will need to step up to the plate. If YOU are that person, know that you can count on me for any assistance! My last words on Streak 38: A tremendous accomplishment and job well done! Thanks again to everyone!!

Here is a photo of Sue Chambers
The Board let her present a check for \$2,500 to the San Diego Adaptive Sports Foundation. Their big fundraising event was held on Sunday, May 15th at Liberty Station. SDASF was selected by the Streak 38 committee to receive some of the proceeds from our event this year. Their WALK was such a great event, she took lots and lots of the kids in their special built wheelchairs.

OTHGSD presented a check for \$6000.00 to one of our selected STREAK38 charities. A plaque has been placed with our name on one of the rooms that Wounded Warriors will be living in while they are transitioning from military to civilian life.

Joe Pifer is coordinating a Club Putt on June 2nd at 8am. Please see his statement below

"Club Putt, June 2nd departs Los Coches park and ride at 0800 sharp. OTHG will be touring the Campo Border Patrol Station and then going to lunch. Lunch site to be announced."

June 2nd is a Thursday as this was the only date Joe could get considering the agent who does the tours doesn't work on weekends. So for those of you who are retired and/or who can get the day off. Plan your day to spend with us on this Putt. If I receive any more info, I will pass it along and I am sure Joe P will cover this run at the meeting.

Again, as I have always said. If your Club car is not available for whatever reason, you're welcome to bring your door slammer. BUT we would request that you wear your YELLOW Club Shirt.

Thanks and we'll see you there!
