May Presidents Message

I'm excited we are coming to the end of our 66 day marathon. It's been a great ride so far! We are just days away from the STREAK. Boy, I can't wait. After all of our hard work preplanning the STREAK, it will come and go. What a bummer to know all your hard work for 9 months is over within 72 hours. But it is fun planning the STREAK throughout the year anyway.

If you volunteered to work at the STREAK. Please make sure that you check in and check out the schedule for which you are to work? Looks like we will not have the Police cadets this year for the first time in years. And if you agreed to make a basket for the STREAK, bring it Friday morning to the STREAK especially if you have something that will spoil. ANY questions, now is the time to ask our STREAK Chairwoman or the committee members.

Summer's coming and you should be inspecting your rod. Check things such as Oil and transmission Levels, brakes, loose clamps, header flanges, wheels, tire pressure, emergency brake, steering parts, misc bolts and nuts that you can see under the car and lights. Let's not forget the most important thing. That is of course, MUSIC! Or maybe even an oil change? I usually do these things in the winter but some hot rodders I know do it just before summer so it's up to you. Whatever fits your lifestyle?

The weather is getting better every day and I am so excited that summer will be here soon. My garage is almost done and so are my cars. Life is good!

Well, got to go and I will see you at STREAK39!! Thanks for all you do!

If you don't laugh at this one you need to lighten up!

It was a small town and the patrolman was making his evening rounds...As he was checking a used car lot, he came upon two little old ladies sitting in a used car.. He stopped and asked them why they were sitting there in the car or were they trying to steal it? "Heavens no, we bought it." "Then why don't you drive it away." "We can't drive." "Then why did you buy it?"

"We were told that if we bought a used car here we'd get screwed ...so we're just waiting."
