May President's Message

Wow, our marathon is almost over. The STREAK is almost here and I can't wait to pull my motorhome in my spot and relax with Jack. You know what I mean Debra? We should have some great weather.

Important for all of you already registered! I will have all of your STREAK registrations at the meeting so look for my wife and she will have the registration box with all the packets.

If you volunteered to work at the STREAK. Please make sure that you check in and check out the schedule for which you are to work? Looks like we will not have the Police cadets this year because they were not available but I will be reserving them early next year. And if you agreed to make a basket for the STREAK, bring it Friday morning to the STREAK especially if you have something that will spoil. ANY questions, now is the time to ask our STREAK Chairwoman or the committee members.

If you are going to Midnight at the Oasis in Yuma next year. TWO things! First, don't forget to send in your MATO Registration which opens May 1st and two; Dennis Griggs has kindly volunteered to coordinate reserved parking at MATO. There is a different procedure for reserving parking so see him first if you want to park with the Club.

The weather is getting better every day and I am so excited that summer will be here soon. Construction has started on my house now and getting the garage organized.

Well got to go and I will see you at STREAK40!! Thanks for all you do!

THANK YOU!

A Huge Thank You to all who came to the bag stuffing on Saturday. We managed to fill 400 bags in about 50 minutes.

Also thanks to Bob & Lila Snoen and Hilton & Lenda Vail for bringing doughnuts, we think it was the extra energy that made the stuffing go so fast. To all of you who got items to be stuffed, we thank you.

Thanks again, Ed & Jan Sawyer

Goodguys Del Mar 2013

Where do I start? Well, first off, the club was a class act again this year. We filled all of our assigned duties very early, thanks to Mike Newell. The actual event started off with Ed Witek and team taking care of the indoor parking. As in the past, the club handled all the indoor registrations and dealt with all the “interesting” questions and comments from the indoor car owners.

Yours truly took care of the poker run/cruise, which visited the Joe Martin Museum. Thanks to Maury Lowe and Everett & Sue Shackleton for their help with the poker run. Margaret Stahl won 2nd place and Bruce Gall was 3rd. Both received Goodguys Bucks and a plaque.

The club handled the front gate duties without a hitch on all days and the specialty parking was all under control. In others words, just another great job.

Saturday morning brought an interesting challenge that was not planned for. Because the Autocross consumed previously available parking slots, Goodguys essentially ran out of room. With no parking in the usual areas left and a record car count, a last minute plan was activated. Goodguys opened the two indoor buildings adjacent to our club parking. Since this was not planned, staffing was zip.

However, as you would expect, some members took the opportunity to handle this with the usual class our club has. Thanks to Everett, Bill Hogue, Esther Allen, Marie Morrow and Denise Hume, this was handled as if it was planned.

On Saturday, Mildred Rios and her food posse put on the club hospitality lunch. Great sandwiches and snacks, and a chance for all of us to unwind for just a minute. Thanks Mildred.

Additionally, I want to thank Wally Myers. As a Goodguys Rodders Rep and club member, he worked all day every day from opening to closing and especially helped all of us in the Saturday Specialty parking area.

Event Director Harry Davies specifically called me to offer a thank you for all that helped make this event a record breaker, with approximately 2,200 cars. He also passed on a huge complement from an indoor participant who was very pleased with the way he was parked indoor.

I want to thank Mike Newell and Ed Witek for their help in sharing the coordination of this event.

Martin Hibsich
