November's President's Message

Nominations for Board Members will take place at the November meeting

Our club has always held our elections under the Order of "Roberts Rule". "Roberts Rule" allows for anyone who wishes to serve on anyone of the Board positions to volunteer or be nominated when that position is announced. Some of the current board members wish to step down and allow our members to step up and serve the club in a new way as a "Board Member". Now is your chance to serve your club and make a difference. In the past our members campaigned for the position by handing out old Halloween candy and asking for your vote. What happened to those days?

This time the nomination process will remain open until after the end of the Nov. meeting giving each members a last chance to volunteer for a board position and be placed on the ballot. An email will be sent out to all members who have an email address on file announcing the candidates for office prior to voting at the December meeting.

At the November club meeting, under New Business, I will be reviewing this information with you and will answer any questions you may have before we start the nomination process for Board Officers.

I want to thank you for your support the past two years as your President. Larry & I hope to have many more active years participating in Over the Hill Gang, San Diego.

Love you all,

Madam Pres. *Denise*

Needs volunteers, please contact him if you would like to work the show. Denise Hume reminded the club that our charity, "Freedom Station", is a local charity and not part of the national Wounded Warriors Org.. 100% of the funds donated to them are spent on the warriors. Middle Age is when your old
Classmates are so grey and
Wrinkled and Bald they don't
Recognize you!

You know you're Over the Hill
When the only whistles you get
Are from the Tea Kettle!

Wouldn't it be great if we
Could, put ourselves in the dryer
for 10 minutes and come out
wrinkle free, back to our
original shape, three sizes
smaller and smelling April
fresh.

My granddaughter asked me
what it was like to be old. So I
told her "Put cotton in your ears
and pebbles in your shoes. Pull
on rubber gloves, smear
Vaseline over your glasses, and
there you have it:

INSTANT OLD AGE."
