## October Presidents Message

Well summer is gone and it's time for the holidays! Everything that we have enjoyed for the last 10 months will be history. But don't get too bummed as we still have our shows and Tech Nites. I think we may even see a Club Putt in there somewhere?

A lot of our members have been attending shows and winning awards and I could never be more proud. As most of you know I have now been in my fixer home for a year now. My garage is almost completed as they will be getting ready to install fire sprinklers. Fire sprinklers in a metal garage for cars? Yes, you heard it right. Bureaucracy at its best. The fire dept says it saves lives. The lives of whom? The lizards and bugs in the garage? Oh well, not much of a choice. I'll just be happy to finally move my tools and parts in the garage. Actually I would rather have sprinklers in my home than in my garage.

We will not be having our Halloween party this year due to losing the hall at the Range because of construction there. We may have something else in the planning stages for maybe December but we'll see if we can pull it off. We have a Tech Nite coming on October 25 so pay close attention to Joe P. as he will explain the details at the meeting.

Looks like the kids and/or the grandkids are back in school. Just remember all is not lost. We still have El Cajon's cruise nites on the holidays. A few shows are still out there and some of our best shows are in November, December and January.

Also, don't forget we have our Thanksgiving Del Mar Nationals again this year. If you're going to volunteer to work the show and haven't talked to Mike Newell, you need to get a hold of him. We still have RV spaces left to camp at Del Mar during the show. Only a few spaces left.

It's that time of the year for Board Nominations! You can nominate and elect or re-elect your Board members. Remember, it's your Club so make your voice heard.

I am always open to new ideas, old ideas, suggestions, etc. Some of our most popular events came from members! Let's continue on and be one of the best Clubs we can be. The first priority is to have fun!

Again this is your Club and I am always at your service. Have a Safe Trip and have fun out there!!

*Ralph Garcia*  
*President*

## OTHG Gang Meeting Sept. 5th

Taken at the last OTHG meeting when Ralph presented the check to Herb & Craig from the San Diego Rescue Mission.

**THE CAR CLUB COUNCIL OF  
GREATER SAN DIEGO  
(est. 1985)**

Most of you know that we have a county wide council that coordinates car shows throughout San Diego County. Did you know that it has been a positive factor in the car community for over 27 years.

I first attended the CCC as a representative for the Early Ford V-8 Club in 1995 or 96 and then became the Over The Hill Gang representative when Obie Oberlander became ill.

The purpose of the CCC as originally formed in 1985 was to coordinate car shows and car events in the county so they were not competing against other shows. This mission has expanded to all things that affect the car community especially new laws and regulations from all levels of government.

Presently we have around 70 car clubs as active members of the CCC. We also have "Associate Members" who represent business, swap meets and some government agencies.

All meetings are open to the public and held on the first Tuesday of the month on the second floor of the San Diego Auto Museum at 7:00 pm. The President of the CCC is Steve Lordigyan (you know him as Charger Steve of the Wednesday El Cajon car show). Steve was recently elected to replace OTHG member and long serving President Bob Schlotter.

If you have any questions about the CCC please contact me or your alternate representatives Denise Hume or Vince Yamasaki. For additional information please check out our website.
