October President's Message

Hi Gang!

Well, September has come and gone, school is back in session, and the 2014 car session is winding down. One thing came to my attention last month that I would like to talk to you about. In September every weekend had a car show. On the weekend of Sept. 20, 5 or 6 car shows were all scheduled at once. The Over the Hill Gang San Diego belongs to the San Diego Association of Car Clubs. One of the Car Club Association functions is to be a filter for the car club community and not have numerous shows all scheduled on the same day. It appears that several clubs/organization are not going to the council for approval and just having a show when ever they want! The only way that the Car Club Association can be effective is by us, the car club community supporting only the car shows that do have the Car Club Association approval. Look for the statement "Approved by the Car Club Association" on your flyer or ask around.

Joe P received some news this past week that the original date that had been picked for the "Mystery" club putt had to be changed due to the a scheduling problem with the people that were to host us. It appears that a wedding booked the place for the entire weekend.....go figure, car club for 1 day or wedding for 2 days. Keep your eyes and ears open. The new date is **NOV. 16th**. The place will remain the same.....a "Mystery"!

Also, a reminder from our STREAK 42 Chairman Bill Hogue that our first meeting is **TUESDAY, Oct. 7th 7:00 PM @ Jimmy's in Santee**. Come one come all!

Last, but not least, remember November's club meeting is when nominations for club officer take place. Put some thought into it and ask the person that you would like to nominate before you blind side them. Being a club officer is a big responsibility and not an easy thing to do. It should not be taken lightly.

Drive safe, Madam Pres., Denise

Subject: FW: 67th Annual SD Prowlers Picnic and Ol' Timers Reunion

As you might of heard there were some problems at the Prowler's Picnic, last Saturday, and stories and rumor are surfacing. Several of the OTHG members were at the Picnic. They probably received a copy of this.

I thought it important that the OTHG board, and club, should know the outcome of this encounter, from Prowler's President Jim Reid, and possibly have this attached to the Cruise News.
