Presidents Message

Well it's officially the end of summer! The time sure has flown by. Pretty soon, we'll be planning for Thanksgiving and then the holidays.

It's been a pretty busy month for me. I have been living in my motorhome for the last 3 weeks in Jay & Linda Scarborough's front yard. I think they are a little sick of us? Anyway, by the time you read this, I will be in my Old New home. It's a bit of a fixer but we can see what it will look like in the future. Of course, the county is giving me a hard time about the permits giving us any restrictions that they can think of for my garage. I'll bet they do this just to look at our faces and see our responses.

Within the next few months, each of you will be going in different directions for the holidays. Some of us will be visiting family, others are having their family at home and others will be working the 1st Annual Del Mar Nationals during Thanksgiving. These months are a time to be with friends and family. Shows and cruise nites will be shutting down soon for the year so enjoy them while you can.

Some of our members and member's wives are recovering from surgeries, falls and other injuries. But all is well this past month. Thank you all for providing me information so I can keep our members updated. Be sure to participate and enjoy our upcoming Club Putts for the next 2 months. We will cover each one at the meetings. These are Putts you don't want to miss!

Because of everything that is going on, we will not be having a Halloween Party. I apologize but it is just too much on our plate at this time but we will be planning one for next year.

Vice President Denise Hume said it is amazing when you ask for help, the amount of Club members that come forward. That makes us truly a family like no other. I totally agree with her because I was the one asking for car trailers to store and move my belongings for the month. I used 5 trailers and more members would have stepped up if I needed more! That to me is truly amazing and I thank each and every one of you.

Have a Safe Trip and have fun out there!!

I wish to thank everyone for their expressions of love and sadness at my sweet Jerry's passing. He truly loved the "Over the Hill Gang" and all of its members. I will always remember his "Celebration of Life" as an example of the friendship we both shared with you all, over the past twenty years. I know we will all miss him very much!
