## September 2012

### September Presidents Message

Well it's officially the end of summer! The time sure has flown by. Pretty soon, we'll be planning for Thanksgiving and then the holidays.

This time last year, I told you all I was homeless in my motorhome looking to move into my NEW old home in Lakeside. Well Denise and I have been in this house for almost a year.

Don't forget to check your emails for updating and last minute news. Who knows, we may go on those last minute Club runs sometime.

Lots of our members have been attending many of the shows and many of you have won awards. Be sure to read further about who won what and when. At almost every show our Club is represented well with one or more of our members. Remember to be sure to wear the Club shirt proudly when you go to the shows or a cruise nite. I can even count on my hands (if I could count) how many times I have been told we are all over the place at every show because one of our members was wearing the Club shirt. Doing that advertises and we have gotten many new members that way.

Also don't forget to attend one of our members show at C&G this October. It is free and all you have to do is RSVP online and Dorothy feeds you and your partner for free! Man you can't beat that deal. The best part is seeing all of our beautiful ladies from the Club assisting Dorothy in serving the food to the show participants. Good job ladies and we'll see you all at the Dorothy's show again this year.

And a special thanks to our Vice President Denise Hume for awarding Freedom Station their check. If you are not aware Denise had knee surgery and has been recuperating for the last couple weeks. Rumor has it she will be at the meeting.

Del Mar Nationals in November is rapidly approaching and the tentative list for volunteers is out. Martin will cover the show this meeting and Mike Newell is taking care of the scheduling. Mike needs things like where you would like to volunteer for, your Goodguy membership number and what size T shirt you would like. And oh, let's not forget what kind of car you're driving to the show. It's always a great time being at the show and you get to be part of something and receive a free entry into the show so you're actually getting paid to work a couple hours.

And let's not forget, Bill and Linda Lewis's Fast Past show in November. What better way to attend a neat show in Laughlin, Nevada for such a great price and a show the ladies will enjoy. Once you bring the ladies, you will be attending every year. Don't believe me, try it and see for yourself. Bill and Linda Lewis are the best hosts and the Golden Nugget treats us like Kings!

Well take care and be careful out there!

Ralph Garcia

## Heritage Days

We had a wonderful show at National City Heritage Days on Sunday the 5th of Aug.! 200 + cars on grass field with shade trees and a min. of 12' between cars and even more from the back and front. Great place to show cars and be able to walk about. Take that Liberty Station and the cramming they did on the Cops and Rodders. Lots of food Vendors and others and good bands. We were pleased when we were told not to leave because we won 1st Place in Street Rods, but while waiting in line to drive thru the awards presentation area, we were asked to drive around and come behind the last car awards because we won BEST OF SHOW for our 32 Cabriolet/roadster! The 2nd Place Street Rod was then bumped up to 1st Place and it was another San Diego OHG Member, Teri Mender and her great 31 FORD Pickup! All in
