PRESIDENT'S MESSAGE

September, 2017

Okay, September is here so where the heck did the first 2/3 of 2017 go? The thermometer says that it's still summer, but the calendar says that cruising season is almost over. In a few more weeks we'll have to find other things to do with our evenings as the cruise nights end for the year and the car shows slow down. Meanwhile, it appears that a lot of you are taking advantage of the moment as demonstrated by the great turnout the OTHG had at the Big Bear Fun Run. Bruce and Pam Gall opened their house for a great Friday night party where we all celebrated birthdays for Esther Allen and Larry Hume. Unlike some years in the past, the weather was perfect for the entire weekend and, as usual, several of our members took trophies home. If you haven't been to this event you are missing a good one. A few days later ten OTHG cars made the trip up to the Encinitas Cruise Night and enjoyed reserved parking right at show central. I was a little nervous when they set up the band right behind us, but the music turned out to be very good. The month closed with one of my favorite local events, the Classic Chevys Picnic on the Bay. Patti and I had to miss the Picnic this year but I understand the OTHG had a large presence (we usually win club participation) and a fun time.

Another event that September usually brings is the first STREAK meeting for the next year. Debra McDowell will be heading up the committee this year and is counting on every one of you for some help with STREAK 45. I'll be there and I hope you will be too. It's a lot of work but it's even more fun.

Speaking of the STREAK, I have received over 100 completed surveys and more are coming in every day. I will be covering some of the survey results at the upcoming business meeting, so I won't say too much here. However, I will say that there are a lot of strong opinions voiced in those pages as folks are very possessive of "their" STREAK and want it to continue as the center piece and show place of the Over the Hill Gang. I am very pleased that so many members took the time to make this survey a success.

Thank you.

Bill Hogue, President

Faith

Hope

Love

but the greatest of these is love

*When I die, give what's left of me away to children and old men that wait to die.
And if you need to cry,, cry for your brother walking the street beside you.
And when you need me, put your arms around anyone and give them what you
need to give to me.*

*I want to leave you something - something better than words or sounds.
Look for me in the people I've known or loved,
And if you cannot give me away, at least let me live on your eyes and not on
your mind.*

*You can love me most by letting hands touch hands, by letting bodies touch bodies,
And by letting go of children that need to be free..*

Love doesn't die, people do.

So when all that's left of me is love, give me away.
