## June's President's Message

Well, officially our 66 day car show marathon is over and our 100 MPH direction has come to a crawl. Even though there are plenty of other shows, the most important ones are over till next year. STREAK 37 was an instant success. (See STREAK Message). It's time to get back to our Club Putt's, Runs and Tech Nites. For a view of our Lemon Sisters, check out the Club website and you can also view present and prior Club Newsletters.

Don't forget to attend our Club Putts and Tech Nites. These are for you. Without your interest and attendance, these events are not much fun. Don't forget Gear Vendors Tech Nite is June 10<sup>th</sup> at 6pm. It's really neat to see all those yellow shirts and jackets all over the place at car shows and cruise nites.

It was great to see our new members assisting and participating in the STREAK. We are a family and families help each other.

You would think after the last week we were still in winter but I am sure the weather will warm up! Lots of things coming up such as La Mesa Cruise Nite, Overdrives Cruise Nite and Escondido Cruise Nite. Another month and El Cajon Cruise Nite will start as well. And the LA Roadster Show on Father's Day weekend is coming upon us.

For me, I am counting down as I will be leaving for New Jersey at the end of June. I will be staying in NJ the entire month of July but I will be back the beginning of August. Although I am not bringing a hot rod, I will be attending a few shows and cruise nites while I am there. And I am sure to have some stories for you when I get back.

Let's enjoy the summer as it rapidly approaches us. Relax and appreciate where you live. I know those in Tornado Alley would love to be here right now!

### **STREAK Message**

Literally hundreds of people stopped to tell me what a great show this was. Again, the weather was great! We have never given out so much cash to show participants and attendees than ever before. We broke just about every STREAK record we could on both Friday and Saturday. I want to especially thank the STREAK committee for all their hard work and dedication. And let's not forget other members who worked on one or both days. Without them, the show would not have even been a show. I could swear it also appeared to be a motorhome show as we all toured everybody's motorhome! And how about those Lemon Sisters? Such crazy ladies. The crowd loved them. Thanks ladies for all your planning and guts for getting up there to shake that . . . well let's just say there was a lot of shaking going on! Let's get ready and plan another one! I also want to say this will be my last year as STREAK Chairman so it's time for somebody else to step up and take the reins!! It was my pleasure to be your chairman for the last 2 years.

Thank you . . . *Ralph*

The last STREAK meeting will be June 12<sup>th</sup> (Sat) at 12 noon. It will be held at Jay and Linda Scarbrough's home in Lakeside.

A big thank you from Goodguys delivered by Martin. Our hospitality lunch, as always, was a huge success and a highly talked about event by the Goodguys staff. We have been approved by the State of California for Non Profit. We owe late fees for not filing our tax returns for 3 years, which is minimal, and we owe NO taxes. After the Streak Ralph will begin the process with the Feds to get us approved as a 501(c)3. There could be some penalties for not filing and the cost of the attorney will be based on an hourly rate.

**M/S/P OTHG members voted to host both events.**

## Carl's Trip to Petersen Auto Museum

What a great day. Over 50 cars started out from Mission Valley heading up the coast. We cruised past the Rest Stop outside of Oceanside, since the Rest Stop was closed. There were over 70 vehicles joining in along the way; all kinds of vehicles, lots of different clubs and individuals. We met more at Denny's in San Juan Capistrano where we stopped for breakfast. The museum counted 166 people that day, separated us and sent groups in different directions. Some went on to the upper floors while others got a tour of the basement. After the tours the groups switched so everyone got to see everything. I cannot begin to explain all the cars, vehicles and other sights. You will just have to go next time and I hope there is a next time. Johnny Rocket was a great restaurant on the premises and some of us ate or just had sodas while enjoying the friendly waiters, great service and the dancing girls behind the counter. It was a long day, full of different sights, sounds and events. Thanks to Carl & Bobbie, we all had a wonderful time.

*Sally*

## Run to the Hills – Pine Valley

What a great day. Perfect weather and almost 300 entries lined the streets of Pine Valley. Monday Nite Car Club hosted this event for the 8<sup>th</sup> year and as usual it was a great success. Over The Hill Gang walked or I should say, drove away with lots of trophies and Raffle Prizes. Some of the winners were:

Guy and Esther Allen's	'36 Ford 5W Coupe
Steve Baker	'37 Ford Sedan
Ralph Garcia	'32 Ford Coupe
Larry and Denise Hume	'35 Plymouth PJ Coupe

I understand Esther and Denise came home with 8 or more Raffle prizes each. I won a candle. Am I thrilled? Congratulations to all of you for the Trophy and the raffle.

## Streak 37

What can I say about the Streak but it was FABULOUS!! Lots of great people, beautiful cars, perfect weather and wonderful raffle prizes. It is even better when I don't have to cook. Between the pot lucks, the bake sale and the great food Saturday, (Thanks to Fred and Linda) and the Mother's Day Breakfast thanks to Carl and Bobbie, we had a fun and relaxing weekend.

Personally I think the highlight of the weekend was the Lemon Sisters. What more can you ask for but beautiful girls from every era, dancing together with such harmony, such grace, such rhythm, etc. etc. I could go on the rest of this page, but you had to be there. We definitely hope they will be back next year, since they are the talk of several different states.

*Sally*

Thanks to everyone who donated items to the bake sale. A special thanks to Mrs. Bob O'Neill who went above and beyond and sent a huge box of homemade cookies all bagged and identified, ready for sale. Marie Morrow and I also want to thank Kathie King and Linda Loegel for their help during the sale. We had a great time serving you again this year and look forward to next year and another outstanding Streak.
